

Overview:

Incarceration doesn't only affect the person behind bars; it affects the whole family. This is why we launched *INSIDE OUT*. We wanted to provide Hope, Help, Humor to people *inside* prison and their loved-ones on the *outside*. Here's how we are doing it:

- Podcast is available on over 900,000 tablets
- Podcast is also available on all major platforms on the outside
- We interview people who have ties to incarceration/ reentry--this means leaders of reentry organizations, leadership in corrections, former incarcerated individuals, family members of incarcerated individuals, and even some politicians!
- Each episode has three segments...Hope, Help, Humor

Season Two Sponsorships:

Currently, Season One has new episodes releasing every Tuesday. As we prepare for filming/ production of Season Two, we are looking for more sponsors! On every episode, we stop halfway to run our sponsorship ads (inside on 900,000 tablets and on the outside). We also promote on the @HopeHelpHumor Instagram as well as on Noah Asher's Instagram, @TheNoahAsher. We also promote our sponsors on LinkedIn.

How to Get Involved:

INSIDE OUT is only made possible through the help of sponsors. We would love to add you as one of our sponsors so we can continue bringing Hope, Help, Humor to people INSIDE prison and their loved-ones on the OUTside! Please email us for questions or for more details! [**chaosovercomer@gmail.com**](mailto:chaosovercomer@gmail.com)
